Pursuant to Case Management Order No. 11 [Doc. 1662], No. 18 [Doc. 3685], No. 19 [Doc. 4311], No. 20 [Doc. 4335], and No. 21 [Doc. 4866], the Court enters this Case Management Order No. ____ regarding discovery to be conducted specific to the cases in Bellwether Group 1.

- B. The additional protocols of this Case Management Order shall also apply to Bellwether Group 1 as provided herein.

II. FACT WITNESS DEPOSITIONS PERMITTED

- A. Commencing three (3) days after the Court's selection of the Bellwether Group 1 cases and through June 30, 2017, the Parties may each take not more than five depositions of case specific fact (non-expert) witnesses in

each case that is part of Bellwether Group I. The parties may exceed this number by mutual agreement or Order of the Court.

B. The parties shall make a good faith effort to identify the case specific fact witnesses they intend to depose in each case in accordance with Section II.A. above, and exchange lists of those witnesses by May 12, 2017.

C. Thereafter, the parties shall make a good faith effort, on a rolling basis, and in accordance with Section II.A. above, to identify any additional case specific witnesses they intend to depose, as soon as those witnesses become known to them or they determine the need to depose the witness.

D. Should either party object to the taking of a deposition proposed by the other party, including objecting that one or more of the identified case specific depositions are disproportionate to the needs of the case (even if the requesting party has not exceeded the numerical limitation set forth in Section II.A. above), the parties will meet and confer on that issue, and failing resolution, shall notify the Court of their need for a ruling on the propriety of deposing such witness(es).

E. Examination of treating physicians.

1. By no later than five (5) days following the Court's selection of Bellwether Group 1, Plaintiffs shall supplement the list they provided pursuant to CMO 21 of physicians whom they have a good faith belief they would call as witnesses in their case in chief for each Bellwether Group 1 case. By no later than ten (10) days thereafter, Defendants shall supplement the list they provided pursuant to CMO 21 of physicians not identified by Plaintiffs whom Defendants have a good faith belief they would call in their case in chief for each Bellwether Group 1 case.

2. For any physician deposed in Bellwether Group 1:
 - a. Plaintiffs' counsel shall be the first examiner for any physician Plaintiffs identified in response to Paragraph II.B.1 of CMO 21 or they have identified timely under Para. II. B. 1 to this Order; and

2. For *ex parte* meetings with a physician that take place less than five (5) days prior to the deposition:
 - a. at least 24 hours prior to the meeting, counting weekends and holidays, Plaintiffs' counsel shall identify by production bates number (or by providing a copy if no such bates numbers exist) to

opposing counsel all documents they intend to provide, show, read from, or otherwise specifically describe to the witness, other than the physician's records of treatment;

b. as soon as practicable after the meeting, Plaintiffs' counsel shall disclose to opposing counsel all documents that were actually provided, shown, read from, or otherwise specifically described to the witness, other than the physician's records of treatment.

3. At least five (5) days, counting weekends and holidays, prior to a physician deposition, all examining counsel shall provide to opposing counsel and deponent's counsel copies of documents that may be shown to the witness during the deposition or about which counsel expects to examine a deponent, other than the physician's records of treatment.
